

BASAVATARAKAM INDO AMERICAN CANCER HOSPITAL & RESEARCH INSTITUTE-TREATING CANCER WITH COMPASSION AND EXCELLENCE

SHRI NANDAMURI BALAKRISHNA,

Hon'ble MLA (AP), Chairman & Managing Trustee,
BIACH&RI

Cancer is a disease that affects millions of people worldwide and its impact can be devastating. My father Late Sri N.T.Rama rao garu who is a great leader and Ex CM of United Andhra Pradesh laid the foundation stone of this hospital in the year 1989 with the help of Indo American cancer organization, and many philanthropists, this hospital was functional from 22nd June 2000.

We understand the immense physical, emotional and financial toll that cancer can take on individuals and their loved ones. That is why we are committed in providing the highest quality care, support and treatment at an affordable price to all those who come to us.

Our team of skilled doctors, nurses and other healthcare professionals are dedicated in providing personalized and compassionate care to each and every patient. We also understand the importance of research and innovation in the fight against cancer. Our hospital is at the forefront in cutting-edge research and development of new treatments and technologies to combat this disease.

We are committed to treat our patients with dignity, respect and understanding. We recognize that each individual's experience with cancer is unique and we strive to provide personalized care that is tailored to their specific needs and concerns.

EDUCATION

- DNB courses in all super and general specialties of Cancer
- B.Sc Nursing college
- Other Allied Courses

Recently the Surgical Oncology team won 15 Awards

in the "National Conference of Indian Association of Surgical Oncology" 2021, New-Delhi

COMMUNITY SERVICES

Cancer Screening Program is one of the main objectives of the Institute is to create cancer awareness and conduct cancer screening programmes for early detection of cancer in the remote regions. More than 2 lakhs people were screened till date.

The hospital has a dormitory which provide accommodation and food free of cost to 350 cancer patients and their attendant during their treatment, who come to the hospital from far of places to avail cancer treatment. The hospital management had provided Covid treatment and vaccination free of cost to all employees and their family members.

Our hospital has been investing in state-of-the-art medical equipment, technologies, and clinical expertise to further enhance the quality of care that we offer. We have grown from 100 beds to 650 beds. We are committed to treat paediatric patients irrespective of their financial condition. We have been treating more than 25% of the patients for free of cost. Our hospital remains dedicated to providing patient-centric care with the latest medical advancements. We thank the Management, Doctors, nursing staff, paramedical staff, other supporting staff, patients, and specially Donors for their continued support and trust in us.

DR. R. V. PRABHAKARA RAO

CEO, BIACH&RI

Basavatarakam Indo American Cancer Hospital & Research Institute (BIACH&RI) is a non-profit comprehensive cancer care centre equipped with the latest facilities for diagnosis and treatment of all types of cancers. It is promoted by Smt. Nandamuri

Basavataraka Rama Rao Memorial Cancer Foundation. BIACH&RI under the leadership of Sri Nandamuri Balakrishna, Chairman, who is a popular matinee idol and along with the eminent board members has flourished to the International standard in quality of treatment to the cancer patients. The hospital has unfurled many achievements and attained the place as one of the best cancer hospital in India.

The hospital till date has treated more than three lakh cancer patients, with approximately than 71,000 in-patients, 40,000 day-care chemotherapies, 1,00,000 surgeries, 7,70,000 Radiation fractions, 315 BMTs and 60,00,000 investigations (Including Radiology and nuclear medicine).

In the recent report of NITI AAYOG in association of PWC (PricewaterhouseCoopers) Auditors, appreciated as one of the best run Trust Hospital and also suggested the Central Government that this type of Hospitals should be replicated in other parts of India. In this context the NITI AAYOG has appointed an advisory committee and I am fortunate that I am part of the committee. I am a NABH assessor and has completed more than 55 assessments pan India to emphasize quality of care in hospitals and healthcare sector.
