

GARGI: P N GADGIL AND SONS CELEBRATES THE MODERN WOMAN

What is in a name they say? When it comes to Gargi, the name says it all. A name that transcends mythology, culture and traditions to define the modern woman, it is apt that P N Gadgil and Sons, the India's renowned Pune based Jeweller who have christened their new uber fashionable line Gargi, reflecting the personality of the new age customers.

PN Gadgil and Sons is famous for its exquisite designs and impeccable craftsmanship and is especially known for its expertise in diamond and gold jewellery. With a top-notch design team that has a rich collective experience that spans decades, they hold an unique position in the minds of connoisseurs of Maharashtra. They virtually define the spirit of the Maharashtrian culture, preserving and defining it across generations. Whether it is natural diamonds, precious and semi-precious gemstones, gold, silverware, or polka, the brand has carved masterpieces out of all. While everyone does possess an inherent beauty, the jewellery crafted by this legacy brand promises to add lustre to one's self and adorn the soul.

A trusted legacy jewellery brand known for its highest levels of quality and purity, P N Gadgil and Sons understands this emotional connection of traditional Indian families with its products very closely. Over the years, the brand has been an inseparable part of festivals, weddings, celebrations, and happy occasions for more than 10 lakh families across generations. The brand has evolved and grown tremendously, all the while diversifying its design portfolio to suit the changing taste of its customers.

Catching the changing trends in the jewellery market, PN Gadgil & Sons has launched a new brand called Gargi which offers a variety of options in costume and fashion jewellery with a wide range of choices for jewellery aficionados as well as casual buyers. "With a legacy of great craftsmanship, the brand stands apart by creating affectionate relationships with its esteemed customers and offers an assorted range of modern jewellery collections with intricate designs and work, style, texture, and colour with its own individuality, innovation, and mastery in craftsmanship. This kind of jewellery is all about perfecting the match with the dress worn by women and making it look more charming," says Mr. Amit Modak, Director PNGS Gargi Fashion Jewellery Limited.

Just like women refresh their wardrobes with new trending clothes after approximately a year or two, similarly, fashion jewellery is a wardrobe staple that calls for a revamp according to your clothes and myriad colour combinations. The foreign jewellery market presently promises quality and finish, and a well-established

market for fashion jewellery. Amit elaborates, "The Indian market too is developing and in the coming years, fashion jewellery by Brand Gargi is all set to cater to the evolving demands of professional women who will need fashion jewellery to complement their personality".

Jewellery has been a quintessential part of a woman's style or power statement, since time immemorial. Gargi offers contemporary designs, yet maintaining a traditional mix. These pretty light things are easy to carry around and flaunt, easily complementing any ethnic outfit that they plan to wear for a festive occasion. The right pair of earrings for that critical work meeting or a statement necklace with a plain dress for an evening out, jewellery has the power to liven up your look and is a reflection of your personality and individual style.

Brand Gargi has earned praise across the country for its mesmerising collection from the new-generation buyers who are more concerned about the quality and finish of the product rather than the price factor.

If you are among those who love to make a style statement and set new fashion trends, you need to hit the market to check out the Gargi line of complimenting pieces which are in sync with the look that you wish to reflect, from modern to traditional, bling to subtle.
