

Alluring Aromas with a Legacy of a Century!

Kelkar Food & Fragrances, founded by Abhijeet Kelkar in 2009 has made their mark in aromatherapy business. Originally, the business was first started by Abhijeet's great-grandfather – Narayan Ramchandra Kelkar in 1919. At that time, their business was only about selling attars, rose water and gulkand.

Now, the company has diversified and include wide range of offerings thanks to the support of Abhijeet's father - Chandrakant Sadashiv Kelkar. Their offerings in fragrance business can be found in every sector. Their core business lies in making fragrance for home care products, cosmetic fragrances, fine fragrances and pure & natural essential oils. Not only limited to fragrance making, they also provide raw materials to help customers in making customized skin & haircare products. Kelkar Foods & Fragrances has reputation of three generations for providing quality fragrances.

With their manufacturing unit at Kannauj and their tie-up with S France, Kelkar Foods & Fragrances are in unique position to offer the best of the world perfumes and age-old attars from Kannauj. This makes them a leading supplier of fragrance oils across countries.

Having a legacy of 100 years, the company understands the market demand and constantly strive to bring innovation in their product offerings. When it comes to fine fragrances, Kelkar Foods & Fragrances is the only name you should remember. Apart from fragrance and essential oils, their product line also includes massage oils, carrier oils, soap

bases, butter and clays. They provide raw materials to make soap bases and also sell readymade soap bases.

Talking particularly about their fragrance business, their fine fragrances and raw materials used in the making are used in home care such as phenyl, hand wash, dish wash etc. They also produce fragrances for cosmetic products such as soap, shampoos, creams and other such products. They also provide fragrances for candles, water soluble fragrances, melt & pour fragrances and fine fragrances for attars and perfumes.

Kelkar Foods & Fragrances have fragrances to suit everyone's style and taste. Their collection includes a wide range of fragrances. Apple Cinnamon Candle, Attar Flower, Blue Breeze, Creamy Apricot, French Lavendar Dew, English Pear & Fesia, Powdered Rose, Patchouli Amber, Frosted

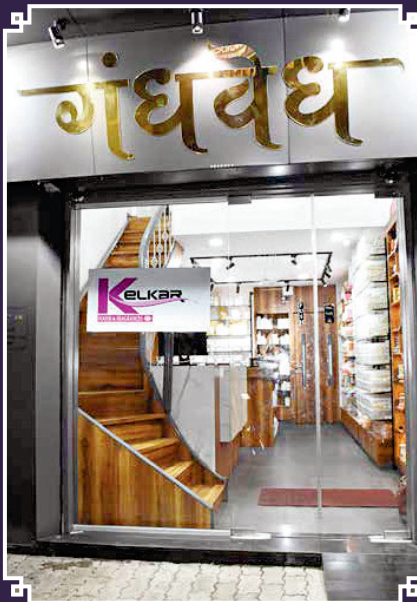

Abhijeet Kelkar

Juniper, Sandal Cedar are some of their collections of Fine Fragrances.

Moving on from fragrance and oils business, Kelkar Foods & Fragrances were the first to introduce DIY concept of cosmetics in Pune / Mumbai. With increasing interest among customers, mostly women, in making soaps and shampoos at home, Kelkar Foods & Fragrances provides quality raw materials for the same.

In India, Kelkar Foods & Fragrances has established a reputation of being an exclusive supplier to premium spa chains such as O2 Spa, Aromathai and Sukho Thai and renowned hotels such as Hyatt, Radisson, Marriott and Westin.

With a monopoly in the spa industry, Kelkar Foods & Fragrances takes pride in making natural attars and fragrances. All of these processes are safe and approved by Food and Drug Administration. They use natural ingredients whose quality are highly standardized. So, if you are looking for the best in the fragrance and perfume business, you already know who to connect with!
