

REVOLUTIONISING THE INDIAN HIGHER EDUCATION PROGRAMS WITH GERMAN QUALITY ACADEMIC PRACTICES – SOCIAL ENTREPRENEUR: **RAJ VANGAPANDU**

Serial entrepreneur, President – German Varisty for Advanced Studies, Germany and Indo Euro Synchronization, India, Mr. Raj Vangapandu is an Aerospace engineer and research enthusiast from Germany who devoted his career to radically changing and improving the higher education practices in India. With an unfeigned endeavour to address the issue of skill gaps in higher education, improving the practical learning approach he developed the international knowledge transfer activities and unique learning practices for Indian students by establishing the German-India Skill clusters. Raj Vangapandu's initiatives has skilled thousands of pan Indian engineering students funded by government and several self-support initiatives from India and Germany.

A visionary par excellence, much before the rest of the world woke up to the need of online learning during the Covid-19 Pandemic, he brought the German technology to Indian academia's doorstep by creating an online robotics and Data Science

& AI laboratories to learn basics and advanced techniques. The virtual labs have benefitted more than 50,000 students across the 100+ colleges and universities across India. Currently these students alumni working top MNC's like Mercedes, BMW, SAP, Telsa etc in Germany

Director of four distinct international organisations, Mr. Raj Vangapandu is a steadfast and resolute individual with a beaming personality whose futuristic vision involves reaching over 1,00,000 students with emerging technologies donning his latest role as part of the NOS committee member for Electronics Skill Council of India and Chief of International Courses at EABW, Germany.

The new verticals in his initiatives extended the unique academic practices such as international credit transfer and semester exchange, Nano Masters and further facilitating the double degree & employment linked master programs for Indian students at more than 10 public and private universities in Germany which is very well fits with

MR. RAJ VANGAPANDU

President – German Varisty for Advanced Studies, Germany & Indo Euro Synchronization, India

India's new NEP policy along with creating the International opportunities for Indian engineering students. His unparalleled devotion towards continued excellence undoubtedly makes him one of the most enterprising entrepreneurs to look forward to in 2023.

MR. RAJAT SURI, Fashion Designer

THE GAME CHANGER IN MEN'S FASHION: **RAJAT SURI**

Founder and Chief of Design of UNIT, renowned fashion designer Rajat Suri is an icon and an arbiter of taste in men's fashion who started his very first label, 'Brown Mother' back in 2007 when his passion and zeal to work in the fashion line led him to drop out of design school. He, however, learnt from the best in the industry with his stints with Mr. Raghavendra Rathore and H2O Cue (Rohit Gandhi + Rahul Khanna). Manifesting his dream, Rajat then founded 'UNIT', an accessible designer-wear brand for Indian men in 2010 envisioning a re-interpretation of classic mens wear with an innovative twist widely acclaimed for its futuristic integration of metal accents across collections.

UNIT offers a ready to wear, bespoke tailored and designed clothing for the contemporary well-travelled fashion forward Indian man and having already developed its signature design language, it today enjoys a cult fan following across the Nation offering contemporary choices in both Indian and Western wear. One of the most sought after and talented designers in the industry, Rajat today designs outfits for some of the most coveted celebrities and influencers in the industry such as Ayushmann Khurrana, Raj Kumar Rao, Irrfan Khan, Neil Nitin Mukesh, Arjun Kapoor and Rana Daggubati among others and has been featured time and again by several top fashion publications including the GQ.

Completing 13 glorious years of redefining all things fashion in 2023, Rajat plans to expand his future forward label to the South with his first flagship store in the city of Hyderabad offering one-of-a-kind experience. An able leader with an intense artistic fervour, Rajat has today built a strong customer base and is one of the most enterprising and seasoned entrepreneurs to look forward to in 2023.
