GEARING UP

AFTER NEARLY THREE YEARS OF PAIN INFLICTED BY NEW EMISSION NORMS, COVID-19-INDUCED DISRUPTIONS AND A GLOBAL CHIP SHORTAGE, INDIA'S AUTOMOTIVE INDUSTRY IS SLOWLY PICKING UP PACE. A LOOK AT THE KEY NUMBERS

3.8

MILLION UNITS

Number of domestic passenger vehicles sold in 2022—the highest ever; the figure was 3.1 million in 2021
