Managing Director
Paul Merchants

Paul Merchants is a trusted Brand with over 3 Million Customers across the globe for its exceptional service, unmatched product profile in the domain of foreign currency exchange, international money transfer, and travel services for the past three decades. Paul Merchants Ltd. is a Public Limited Company, listed on the Bombay Stock Exchange (BSE).

The Flagship of the renowned Paul Group Of Companies, Paul Merchants Limited has evolved into a conglomerate having interests in varied fields like Foreign Exchange, Travel & Tours and International Money Transfer. The Group also offers other services such as Gold Loan, Money Transfer, Prepaid Cards and Insurance services.

Over the years they have introduced many services to emerge as a one stop shop experience. They are continuously working on innovations to add more convenience to customers.

The group has over 175+ branches and over 1000 employees spread across the country from Leh to Cochin. They have over 8000 agent strong partner network, spreading their wings even to the remotest part of the country. They are committed to on-time service delivery that meets all client requirements. As Managing Director Rajneesh Bansal sums it, "The secret of our success lies in localised and curated services to match customer expectations".

Paul Merchants has over the years evolved through technology adoption and streamlined processes. The group has been working incessantly towards digital transformation of its products and services. "At Paul Merchants group, many of our services are now digital. Our recent additions include a fully functional payment app 'Paulpay' with an integrated Rupay Prepaid card, a B2B Insurance Portal 'Coverpay', and a fully automated ERP system for Foreign Exchange business", elaborates Rajneesh. The Group has its foundation well rooted with multiple regulatory approvals and licenses which includes an AD-II category license, an NBFC license, Prepaid Instrument License, IRDAI Corporate Agency License, etc.

Paul Merchants has earned an indisputable status of a preferred corporate for professionals in the industry, thanks to its vibrant working environment, outstanding career development programs, HR policies, and unique office environments. They have unique career growth programs so enable staff joining at the junior level to train and rise up the ladder through various professional development programs.

This transformation is dictated by their core vision to serve the customer to their utmost satisfaction. They are also expanding their physical presence to over 300+ own offices, to extend their best in class financial and travel services across the country.

As the head of a socially responsible company, Rajneesh outlines his approach. He says, "Paul Merchants Limited cares about giving back to the society in which we live and thrive. We live and work, not only because it makes us feel good, but also because doing so makes us feel like a responsible citizen. It has been the endeavor of our company to touch every single section of the society with its CSR programs and an unwavering focus has been to reach out to the most under privileged and economically weaker section of the society".

Goodwill and Growth, you have earned both, we say.
