

R. K. VERMA - CREATOR OF PROFESSIONALS

Teaching is that one profession that goes on to create all other professions. Maybe that's what enthused R. K. Verma to go for it. In hindsight, that one decision has turned out to be a life changer moulding the careers of lakhs of bright youngsters across the country.

Every individual in the world cannot be a leader. Leaders are expected to create a vision, set direction, and inspire people to rise beyond what they imagine is their capability. The first characteristic of a great leader is their genuine enthusiasm, one that inspires others to accomplish wonders. To accomplish these, practical yet wonderful communication skills are a must.

R. K. Verma is one individual who is all of these and more. Mentor to more than a million students, he is a true role model to emulate. He commands the trust and faith of the students, who surrender themselves to be completely moulded by him.

Coming from a humble background, he willed himself to graduate in Electrical & Electronics Engineering from IIT Madras in 1994. After a short corporate stint he went back to his hometown Kota, to pursue his passion of Teaching. This marks the beginning of Resonance Eduventures Limited, as a Coaching Institute for IIT-JEE preparation in 2001.

Starting off as a sole proprietorship firm, it was formally incorporated as a private limited company on 15 March 2007 and then became a public limited company on 12 September 2015. In these 22 years, Resonance has emerged as a powerhouse that mentors students for JEE (Main & Advanced), NEET (UG), CA, CS, CLAT, NTSE, KVPY, Olympiads, Boards, CUET & Job Oriented Competitive exams for Bank and Railways etc.

The institute has created specialized divisions with exclusive domain expertise to prepare aspirants for a plethora of competitive examinations. Resonance also trains students from classes 5th to 12th & 12th passed for various competitive exams from almost all the States & Union territories of India, through its wide network of Study Centres in more than 75+ cities of India.

The Resonance system is a holistic approach to prepare students for a career of their choice. It has framed processes, procedures and policies to take care of the inherent differences of the individual students. With a structure that comprises regular Backup Classes, Doubt Classes, Clinic Classes & Online Academic Support, it addresses the academic aspects, while their team of Counsellors, Doctors, supported by a wellness centre, focuses on maintaining the physical & psychological poise of the students.

ResoCARE organizes Arts, Sports, Health related activities for keeping the environment ever lively for the students. It also informs & communicates with the parents, updating them of student related issues.

Resonance conducts STaRT (Student Talent Reward Test), one of the biggest pan India level talent search events. This stage-wise exam is de-linked from admissions and is a genuine talent search, in its truest sense. The institute has also launched 'ABHYASAM', a homework assessment and academic performance management system, continuously updating guardians on student performance.

R. K. Verma's credentials are burnished in gold. He is a part of The IITM Nexus, a compilation of the success stories of 16 IIT Madras graduates who have become successful entrepreneurs. His achievements stand up as unquestionable testimony. 50,021 students have been selected in IIT-JEE/JEE-Advanced since 2002. 2,40,138 Students selected in AIEEE/JEE-Main since 2009. 19,600 Students selected in NEET (UG) / AIPMT / AIIMS since 2012. 2435 Students became NTSE Scholars since 2006; 2859 students became KVPY Fellowship winners since 2006. 52 Students won Medals (Gold/Silver/Bronze) in International Olympiads. 4191 Students were selected in CA & CS Exams since 2013.

Resonance changes lives is borne out by the fact that alumni like Chirag Soni, Nitin Vishwari & Rachit Agarwal have bagged handsome jobs with whopping packages in the range of INR 3-6 Crores in MNCs.

Resonance has started the admission process for the academic session 2023-24 and is offering attractive scholarships based on the ResoNET scholarship test and on early admissions.

It's time you should reach out to rise to your fullest potential.
