

allcargo group

Born in India. Leading worldwide.

Homegrown, value-driven, global logistics multinational with operations in 180 countries, Allcargo Group is your reliable partner for digitally-enabled, future-ready solutions across diverse logistics verticals. With nearly three decades of experience and an extensive reach that covers the length and breadth of India, we go beyond profits and deliver peace of mind. Our strategic approach to ESG helps optimize resources and operations, while doing our bit to make the world a greener, happier place.

Partner with the world's LCL consolidation leader and India's largest integrated logistics services provider.
For you win, and our planet does too.
