Gold Rush

Gold prices continue to rise in 2023. As a result, demand for the yellow metal has fallen

10 | POINT

High Stakes

Promoters and institutional investors raised stakes in many companies in 2022 even as the equity market stayed volatile

12 | THE BUZZ

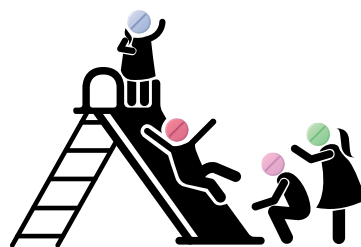

Game of Estimation

Forecasts of GDP growth and inflation are risky and prone to major corrections over time

14 | THE BUZZ

Wooing Private Capex

The Finance Minister has hinted at creating a framework to bring in large private sector investments into infrastructure

42 | HEALTHCARE IPOs

Healthy Sign

Spurred by the Covid-19-induced tilt towards healthcare, 13 health-related firms have gone public in two years
