

A FUTURE WORTH PIONEERING

Pioneers. Guardians. These men and women spend their life's energy striving for the preservation of our planet. They have identified some of its deepest wounds and ailments. They have designed unique solutions to save endangered species, to recycle plastic waste, to protect agriculture, to restore ecosystems, to improve living conditions... All bold, visionary programmes that they develop in all four corners of the planet, to make it perpetual. And since 1976, the Rolex Awards for Enterprise support these pioneers, the guardians of a future never certain, yet always worth reinventing.

For a perpetual planet. **Rolex Awards for Enterprise.**
