

THE NEXT 25 YEARS

On the occasion of 75 years of India's Independence, some growth tips from industry doyens for the road to 100 years

BY TEAM BT

VERY FEW COUNTRIES GLOBALLY are as fascinatingly poised as India is when it comes to being at the intersection of a growth story. With this being the 75th year since we gained our Independence, the next step is 2047. The best voices across professional spheres attempt to unravel what India@100 might look like. That's not the easiest of tasks when one is in the middle of a serious economic challenge globally, and one is still to find out what the impact on India will be. It makes for a heady concoction, and there is a good chance that our ability to be greatly resilient will be questioned several times. However, big opportunities don't come by often, and this is one of those times. In the following pages, read about what the captains of India Inc. perceive will be the country's growth path.
