

THE BIG SHIFT

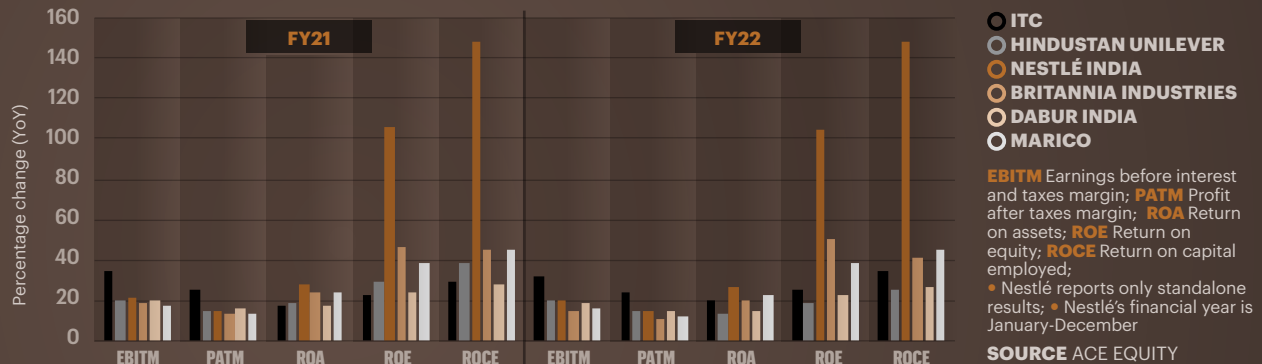

In the past five years, cigarettes' share in ITC's revenues has fallen 10 percentage points, while agri and non-cigarette FMCG is now almost 50 per cent of its revenues

PLAYING FOR KEEPS

While ITC has the best-in-class profit margins, its competitor Nestlé rules the roost in terms of return on assets, equity and capital employed

₹16,000

CRORE ITC'S TOTAL FMCG REVENUE IN FY22 WAS SPREAD ACROSS FOUR SEGMENTS—BRANDED PACKAGED FOODS, PERSONAL CARE, EDUCATION AND STATIONERY, AND MATCHES AND AGARBATTIS

TRACKING THE STOCK

For a long time, ITC's share price was unremarkable, but over the last year or so, it has seen a surge
