

WHAT MAKES A ROLEX A ROLEX?

It's not the wheels and cogs. It's not the steel we shape nor the gold we forge. It's not the sum of every single part that we design, craft, polish and assemble with countless skills and constant care. It's the time it takes. The numerous days and months that are

necessary until we can print this single word on each individual dial leaving our workshops: "*Superlative.*" It's the mark of our autonomy, responsibility and integrity. This is all we make, but we make it all. So that, in time, you can make it your own.
