TAKING THE BULL BY ITS HORNS

1

Finance Minister Nirmala Sitharaman had announced the plan to set up an expert committee to look into the issues plaguing PE/VC funding in India in her Budget speech on February 1, 2022

2

The committee is tasked with suggesting reforms to improve the venture capital ecosystem in India and recommend ways to scale up PE/VC investments as well

3

The investor community hopes that the committee will help in creating a level playing field for Indian and international funds

4

The committee will likely present a set of recommendations to the finance ministry before deliberations begin for the FY24 Union Budget
