

DR. SANJAY TYAGI THE MAN WHO HAS BUILT AN EMPIRE BRICK BY BRICK.

Building a grand edifice brick by brick is an abused phrase. However no other phrase can describe Dr. Tyagi's rise as aptly as this. His success has hardly been meteoric. It has been the result of his courage to envision a grand future and back it up with unconditional efforts with a quiet confidence that success has no other alternative but to crown him.

The Sanjay Tyagi saga starts, not surprisingly, with a brick manufacturing unit that he started in 1998.

From supplying bricks for construction to getting his hands dirty in the actual construction process, Tyagi powered on to build himself a formidable reputation by handling projects of national importance like roads and highways. His commitment to quality and perfection in execution ensured that he rose to become a dependable partner to many state level organizations.

Tyagi's firm has many notable projects to its credit including the Project of Road Construction from Kundali border to Panipat. This project was personally acknowledged and awarded by the Hon. Chief Minister of Haryana, Shri. Manoharlal Khatter. In its two decades of existence, The Devyash Group has grown into a vast conglomerate that offers its services in construction, real estate and civil engineering. The company has worked on some of the grand projects of the Maharashtra State Road Development Corporation, PWD Madhya Pradesh, PWD Uttar Pradesh, National Highway Authority of India,

Ministry of Road Transport and Highways and many more organizations of repute.

Helming a team of 500 passionate employees and a professional team of highly skilled engineers, Tyagi has helped Devyash Projects and Infrastructure Pvt. Ltd. emerge as one of the most venerable names in the Construction Industry. With projects worth Rs. 1200 crores in hand, the company has successfully earned the trust of customers in the field of construction, real estate and civil engineering.

Despite all this success, Tyagi remains a simple human being who is true to the values of mankind. A selfless karmayogi, Tyagi has proved that determination and hard work always pays. His commitment and care for his people is legendary. He ensured that there were no salary deduction or employee layoffs during lockdown. He cares for his team as if they are his family. His people are all beneficiaries of free education and health benefits that he has extended to his employees and their families.

Sanjay Tyagi had a dream. By dint of his hard work and

redoubtable efforts he has realized it. His company has contributed to some of the most notable projects of immense importance across the country. He has steadfastly pursued potential chances and translated opportunities into successes, showcasing them as standards of excellence. His endurance, immense experience and thorough knowledge of the domain has earned him a Doctorate Degree from the University of France.

Beyond a successful businessman, Tyagi is a philanthropist. He is associated with many NGOs like Navdrihti, Sahyog and Aashirwad. His company is also associated, as a sponsor, with many events that felicitate public servants like the 'Shaurya Awards' for Police Officers in Uttar Pradesh. This gesture received the personal appreciation of the Chief Minister of Uttar Pradesh, Shri. Yogi Adityanath Ji. Tyagi's journey continues. His empire grows brick by brick. The thing of joy and pride is he is also motivating other entrepreneurs and youngsters as a living example. We are confident that he will quietly drive a revolution that will transform the nation.
