

KING INDIA

A golden laurel wreath, a symbol of victory, is positioned on the right side of the image. It is composed of several branches of leaves, rendered in a 3D style with a metallic gold finish. To the left of the wreath, a thick, glowing golden arc curves upwards. The background is a deep navy blue, adorned with numerous small, bright golden sparkles and several soft, golden light rays that emanate from behind the wreath, creating a sense of radiance and triumph.
