8 | PHOTOGRAPHIK

Full House

Housing demand has hit an all-time high, with the most number of houses sold in the March quarter in the past 10 years

10 | POINT

Back to Basics

Investors preferred assets like gold, FDs and property, among others, in 2022-23 amid volatility in the market

12 | THE BUZZ

Policing the Players

Sebi is coming down hard on broking firms that collude with market entities that open mule accounts to carry out pump and dump activities

14 | THE BUZZ

A Surprise Uppercut

The cut in oil production prompted by global uncertainties reinforces OPEC+'s control over global oil pricing

18 | THE BUZZ

Neighbourhood Connect

PhonePe's debut on ONDC, via its shopping app Pincode, is set to revolutionise hyperlocal commerce
