Let it Rain

With the southwest monsoon expected to hit the Kerala coast on June 4, stubborn inflation is expected to cool down

10 | POINT

Energised

A worldwide slowdown is a real possibility. However, the latest consumption figures of energy show that the Indian economy is far from any slowdown

12 | THE BUZZ

A Note Retires

The RBI's move to recall ₹2,000 notes does have the potential to cause ripples in some sectors of the economy

14 | THE BUZZ

Stormy Weather

The ongoing crisis in the aviation industry will have to be judiciously managed to prevent its long-term impact on the sector
