

Automotive Recycling – With an objective of achieving circular economy through recycling, Mahindra Accelo along with MSTC formed **India's 1st Government Authorized vehicle recycling company under brand name CERO**, where end of life vehicles are recycled in environment friendly & legally compliant manner. Today we are India's largest vehicle recycling company with presence across 41 cities with plan to expand to 100+ cities in near future.

At Cero's facilities, vehicles are recycled in compliance with

CPCB / respective SPCB norms, taking care of all legal and environmental norms. We also provide 'Certificate of Destruction' to rightful owners which, as per the recently announced vehicle scrappage policy by MoRTH, can only be issued by Government authorized recyclers.

With aggressive growth plans, CERO is looking to revolutionize the vehicle recycling industry and help India move towards a zero pollution nation.

Scrapping your old car is just a call away

Now scrap any vehicle with zero hassle and get best price at CERO India's first and largest organised auto recycling facility
