

Mysore Sales International Ltd.

Dedicated to the well-being of the People

Commercial establishments thrive by satisfying the various needs of the people. But here is an organization that has a legacy of stepping in to bring various products within the reach of the common man. They have created an institution, brick by brick, that symbolizes quality that you can trust.

The Six Decades old Mysore Sales International Ltd., (MSIL) is a premier Govt. of Karnataka Undertaking, is involved in marketing a diverse range of products & services. The company's operations span across a diverse verticals that encompass Retail Liquor, Chit Funds, Paper & Stationery, Industrial Products (Solar), Consumer Products, Tours & Travels, Generic Medicine etc.

MSIL supplies quality notebooks and stationery at affordable prices under its well-known 'LEKHAK' & 'VIDYA' brands. The notebooks are manufactured by empaneled MSMEs, resulting in employment for a large number of people. As Educational institutions embrace technological advancements (Ed-Tech), education itself is becoming costly, moving beyond the domain of the poor. MSIL has devised an 'EdTech' Solution to ensure better outreach to a large student population who cannot afford private education. Lekhak EdTech aims to solve the issue of costly education and help every section of the society keep pace with the evolving educational methods. It is in line with the syllabi of CBSE and Karnataka State Curriculum of 8th to 12th standard, including the foundation coaching for NTSE/ Olympiad. For competitive examinations like NEET/JEE/ CET, it offers hybrid learning which also includes online lectures for each course. Sri. Vikash Kumar Vikash, IPS, Managing Director of MSIL, has been the prime driver in developing this EdTech solution and ensuring its reach to a large number of students in Govt. schools and hostels. "Providing the students access to quality education at a highly affordable price is the main objective behind introducing this revolutionary product", explains Sri. Vikash Kumar Vikash.

MSIL has been at the forefront since the early 1980's in promoting the use of renewable energy under the

brand name of 'HOT SPRING' and 'MSIL LIGHTS'.

Considering the steep surge in tourism and hospitality industry, MSIL has been aggressively promoting tours & travels business by providing hassle-free domestic as well as international packages at the most competitive rates.

There was a time when quite a few fraudulent private chit fund operators ran away taking the public money with them. MSIL ventured into Chit Funds business to protect the public from being exploited by unregistered and fly-by-night chit operators. Currently, there are 26 Chit branches throughout the state with more than 2 lakh subscribers availing the benefit so far from MSIL's "Safe Chits".

In 2015, the Karnataka State Government entrusted the task of opening 'Janaushadhi stores' at Taluka and District Govt. Hospitals to MSIL. MSIL has taken this public programme of the Government of India to a different level by opening 87 stores so far, creating the largest retail chain of 'Janaushadhi stores' in the

whole country. Most of these stores are opened within the premises of Govt. hospitals thereby predominantly catering to medical needs of poorer section of the society. MSIL's 'Janaushadhi' operations were running under loss since its inception. By ushering in organisational discipline, bringing much needed changes and introducing some innovative ways of doing the business, Shri. Vikash Kumar Vikash, MD, MSIL has successfully managed to make the operations profitable from FY 2021-22 onwards.

MSIL is also operating more than 1000 retail liquor stores across the state with an objective of controlling MRP violations as well as in facilitating total prohibition of illicit and spurious liquor.

MSIL intends to provide direct and indirect employment to the educated youth, especially in rural areas. This commitment to people's progress with focus on Education, Health, Employment and Finance will keep them in the forefront, as they evolve to serve the nation in the decades to come.
