

Arun Kharia: A Visionary Philanthropist

Arun Kharia is a man with many facets. An entrepreneur who is guided by a desire to serve mankind, he is channelling his energies in the pharma and the education sectors.

Born and brought up at Mandla in Madhya Pradesh, Arun Kharia has a post-graduation in Chemistry to his credit. Joining Modern Laboratories as a Managing Director, he has overseen the growth of the company across 45 years with a strong vision, manufacturing quality drugs and expanded the range to manufacture dry powders & injections.

Arun learnt from his father, the late P.C.Kharia that medicines are directly related to the life of a human being and hence one should not compromise in quality of drug. He realised that the big art of manufacturing medicines is to make complicated things simple.

Staying abreast of industry practices and developing his skillsets, product or service to be the best in the field of pharmaceuticals, Arun has expanded the business by exploring the newer horizon, taking the products to

various geographies. He now exports to Cambodia, Peru, Brazil, Gambia, Kazakhstan, Tajikistan, Kyrgyzstan, Ivory Coast, Vietnam, Yemen and Uzbekistan to name a few.

With a desire to provide quality education Arun started Modern Institute of Pharmaceutical Sciences, Modern Institute of Professional Sciences and Modern Institute of Professional Studies in the year 2007. To provide complete education, from KG to PG under one roof, he also started Modern International School with CBSE curriculum.

He has many awards and recognitions to his credit. He has received Icon of the Industry Award for Modern Laboratories, Outstanding Achievement Award by FMPCCI, twice by then Hon'ble Chief Minister Shri Kamal Nath and Hon'ble Chief Minister Shri Shivraj Singh and Eminence Personality Award 2021 by DB Group to name a few.

Dr. Anil Kharia – Self Realization as a Successful Entrepreneur

Dr. Anil Kharia, Chairman, Modern Group of Institutions and Industries is a risk-taker and an innovator. Starting his enterprise with 25 employees, he has steered the Modern family to grow into an institution with more than 600 employees.

For Dr. Anil Kharia, Modern is not just a company, but it is a way of living and a continuous process of evolution. He believes that his biggest responsibility is to save and serve humanity. Completing his double postgraduation in M.Pharma from Dr Hari Singh Gaur University and MBA from Devi Ahilya Vishva Vidhyalaya, he got into the pharma industry joining the Modern Laboratories. In the year 1987, Dr.Kharia launched a new company, Nandani Medical Laboratories Pvt Ltd, with an injection manufacturing unit, while others were starting their businesses with tablets.

Anil started Modern Institute of Pharmaceutical Sciences in the year 2007 and consecutively also started Modern Institute of Professional Sciences and Modern Institute of Professional Studies. Aware that education is the foundation for building a value-based society that evolves and grows, in the year 2013, he

started Modern International School, having a CBSE curriculum.

Anil is inspired and motivated by his parents. His mother Smt. Basanti Kharia, instilled in him the values of being compassionate to all. A prolific writer, Anil has authored, published and presented many monographs and research papers at various national and international forums. He has a patent for Novel Poly-Herbal Formulation for Alzheimer's disease.

A well-known industry leader and social worker, Anil holds several respectable posts. He has been conferred with many awards including Eminence Personality Award 2021 by DB Group, Pharma Ratna Award 2019, 3 World records by World Book Record, UK and World Record Academy, USA, Outstanding Achievement Award by FMPCCI, twice by then Chief Minister Hon'ble Shree Kamal Nath and Hon'ble Chief Minister Shree Shivraj Singh.
