

THINK WISELY
ACT SUSTAINABLY

SUSTAINABLE BANKING

By the People, For the Planet

- E** AU Small Finance Bank fosters an eco-friendly and socially conscious ecosystem. With Video Banking and the AU 0101 Super App, we reduce branch visits and promote environmental resilience.
- S** Since 1996, we've empowered employees, customers, and society by addressing vulnerabilities. Our CSR initiatives prioritize financial literacy, education and sports support, showcasing our social responsibility.
- G** We prioritize transparency and accountability through strict compliance. Sustainability is seamlessly integrated into our operations, fostering a harmonious society that values both people and the planet.

Together,
we make a
difference that
matters.
