

Celebrating 2 Years of Glorious Achievements

The Tamil Nadu Chief Minister M.K. Stalin led government completes 2 years of stupendous achievements driven by the passion to serve the people of his state and bolster its industrial growth and development. To mark this landmark moment a quick glance of the inclusive development would highlight the determination which has accelerated this incredible growth story.

The support and cooperation of women is indispensable for the progress of society and so their welfare needs sincere care. CM Stalin resolutely stood by his promise by launching a slew of initiatives in their favour. From September 15, 2023, onwards Rs.1,000 will be disbursed every month to needy women under the Magalir Urimai Thogai scheme. To support livelihood of lakhs of women 8,57,949 Self Help Groups were provided Rs.47,034 crore as bank loan. Free bus travel is another initiative for easy mobility of women with no burden of fare as a result of which women travelled 276 crore times free of cost at Rs.4,426 crores. The same convenience was extended to trans-genders who travelled 15.87 lakh times incurring a cost of Rs.254 crore to the exchequer. They saved Rs.888 per month on bus fare. To incentivise higher education, the Pudhumaipenn thittam worth Rs 350 crore benefitting 2.09 lakh girls and Chief Minister's free breakfast scheme aimed at providing nourishment to growing Children. The scheme Naan Mudhalvan serves as vibrant platform providing industry related information to skill students of educational institutions which benefitted 8,11,879 Arts & Science College students and 4,60,734 Engineering College students. It is aimed at creating industry ready workforce in a state that is industry intensive state. To generate employment for the educated youth of the state, 1241 jobs fairs were held which created 1,44,961

jobs in private companies. It has empowered the youth economically, besides offering their industry specific expertise.

Tamil Nadu is not only rich in its scriptures, but also is a repository of highly evolved cultural heritage. Tamil takes the place of pride of being recognised as one of the oldest language in the world and the mother language of the Dravidian family. Recreating Tamil Nadu's history for posterity is the Keeladi Archeological Museum that showcases artefacts recovered from excavations of the archaeological sites in the state. Built at a cost of Rs 18 crores, this state-of-art museum is embedded with

modern technology for creating a seamless interactive ambience for the visitors to soak in.

Industrial growth and employment moved to the fast track with the signing of an incredible 222 Memorandum of Understandings netting an investment worth Rs.2,72,322 crore investment and generating 4,09,651 employment opportunities for the people of the state. This a major achievement and a feather in the cap of CM Stalin's government targeting self-reliance of the state. Under Chief Minister's Comprehensive Health Insurance Scheme costing Rs.3,185 crore covered an astounding number of 58.27 lakh beneficiaries. Also, treatment
