

Shri Bhupesh Baghel
Hon'ble Chief Minister

Soaring High on 'Chhattis' Virtues for Development

The Chhattisgarh Government under the seasoned leadership of Chief Minister Bhupesh Baghel, is riding high on confidence and determination to rank itself among the country's top states in terms of all-round development and progress. Having covered much grounds in the predominantly tribal state, the focus in the current fiscal 2023-2024 is on health, power to galvanize the industrial sector, besides focusing on the most important human resource, the youth by creating a supportive ambience for connecting them to the mainstream economic development initiatives of the state.

Translating Health into Wealth

Only a healthy state can spur economic growth in a country that can be achieved through dynamic initiatives aimed at a long-term vision, a fact that this mineral rich state is well aware of. Chhattisgarh ranks amongst the top states in the country in terms of strengthening healthcare services and development of health infrastructure rapidly for making healthcare affordable and accessible for all. This transformation is happening

due to the relentless efforts of Chief Minister Bhupesh Baghel, to ensure and facilitate effective healthcare and prompt treatment for those who are particularly in the low-income groups, women and children. As Chhattisgarh's health facilities were already people-oriented, it helped in the battle against the Covid pandemic posing unprecedented challenges to emerge out of the crisis with minimum damage. In pursuance to provide free healthcare facilities to the masses, a slew of

initiatives along with Ayushman Yojana, the Mukhyamantri Swasthya beema Yojana, Sanjeevani Sahayata Kosh, Mukhyamantri Bal Hriday Suraksha Yojana, Mukhyamantri Bal Shravan Yojana and Chirayu Yojana are being actively operated. All the above schemes are covered by the Dr. Khubchand Baghel Health Scheme, Ayushman Yojana and Mukhyamantri Vishesh Swasthya Sahayata Yojana and its effective implementation and monitoring is being done by the Chhattisgarh government.
