So what should you keep in mind if you are buying a vintage car either as a passion or as a passionate investment? First of all, understand that these are high maintenance. "When acquiring a vintage car, the first chal-

lenge is the restoration of the car," says Gurugram-based Madan Mohan, Founder, 21 Gun Salute International Vintage Car Rally, who has over 360 vintage cars, over 40 jeeps, nearly 100 bikes, and 56 trucks. He says it can take between two and five years to
