Crude Calculus

The recent softening of global crude oil prices is expected to narrow India's trade deficit

12 | POINT

In Top Gear

India's auto sector is on a roll. In FY23, falling input prices and strong demand bolstered auto-makers' profitability

14 | THE BUZZ

Bulls on the Loose

India's stock markets will remain buoyant in H2 2023 as several macroeconomic factors underpin their strength

22 | THE BUZZ

Game, Set and Match

The online gaming industry is reeling from the GST Council's decision to impose a tax rate of 28 per cent
