

CHHATTISGARH CREATING A BRIGHT TOMORROW FOR ALL STUDENTS WITH EDUCATIONAL SCHEMES

Shri Bhupesh Baghel
Hon'ble Chief Minister

The state of Chhattisgarh is making rapid progress in the field of education. Be it primary or secondary education, the state government is making relentless efforts to achieve the goal of educating all. The children from weak income groups are receiving quality education and the teachers are being provided with adequate facilities. For the benefit of boys and girls, the state government has launched several schemes, as a result of which a better environment for studies has been created in the state. A special scheme has been launched for the people residing in Naxal-affected areas. Additionally, the education system in the state has been revamped to focus on employment-oriented outcomes. The state government is providing free text books to all the students from class 1 to 10 under the free text book scheme. Free uniforms are being provided to all the students from classes 1 to 8 in schools and madrassas. Free cycles are being provided to regular girls studying in class 9th. About 1,58,540 girls have been provided cycles. Cooked hot nutritious food is being provided to 29.81 lakh students from classes 1 to 8 under Pradhan Mantri Poshan Yojana.
