

by Chhattisgarh Teachers Welfare Foundation. Under the National Award to Teacher initiative, the best teachers are honored every year on Teacher's Day as an incentive. State teacher award of Rs 21000 is given to two best teachers of all the districts. Under the Utkrisht Shala Puraskar Yojana, two schools of each level are awarded Rs 25,000, Rs 20,000, Rs 15,000 and Rs 10,000 respectively. State Education Commission has been constituted in the state of Chhattisgarh. This commission is removing away with the discrepancy in teachers' salaries and giving suggestions for innovations related to education and educational management. After considering the demands and problems of the teachers, it sends its recommendations to the government. The Commission is working to solve many disputes regarding school fees and give advice for improvement.

Every science student dreams of getting admission in a good medical college or engineering institute. For this, children take admission in coaching along with school studies. The coaching institutes running in Kota, Rajasthan have made their mark in the whole country. Every year a large number of students from all over the country go to Kota for coaching. A large number of children from our state Chhattisgarh also go to Kota for coaching. But the economic condition of many students is not such that they can stay in Kota and study in coaching institutes. Because of this, those children are deprived of the facility of coaching institutes running in Kota. Therefore, economically weak children can take coaching by staying in Rajasthan's Kota. For this, the government of Chhattisgarh has planned to construct a hostel. Land has been demanded from the Rajasthan government to build the hostel.

➤ Swami Atmanand School was first started in the state on July 03, 2020 with 52 English medium schools.

➤ There is a plan to run 377 such English medium schools and 350 Hindi medium excellent schools in the current session. By taking advantage of this scheme, about 154 children have achieved success in examinations like NEET, JEE and PET.

➤ Schools will be repaired and renovated under the Mukhyamantri School Jatan Yojana with a budget of Rs 500 crores.

➤ International level residential school would be built in Nava Raipur. In this, two classes of 40 students each would be made in each class from class one to class 12th. School building and hostel would be constructed for 960 students. The estimated cost for the establishment of this school is 100 crore.

➤ The Government of Chhattisgarh has demanded land from the Government of Rajasthan to provide coaching facilities in Kota, Rajasthan. Land has been demanded from the Rajasthan government to build the hostel.

➤ Navbharat Literacy Program is to start from April 01, 2022 and will run till March 31, 2027. Under this project, there is a target of making 1, 85,000 illiterate people literate.

➤ In the year 2022-23, sports material is provided at the primary school level with Rs 5000, at pre-secondary level with Rs 10,000 and at the high school level with Rs 25000.
