One District Two Product Scheme Aims at Local for Global Market

Hon'ble Mr. Pushkar Singh Dhami, Chief Minister of Uttarakhand is relentlessly working towards empowering the people of his state with ambitious projects and innovative approach. The launch of One District Two Product (ODTP) Scheme on 25th October, 2021, conceptualised by CM Dhami, is one such initiative aimed at tapping the immense local potential across 13 districts of the state. The inclusive scheme combines skills and application of latest technology to produce world-class products, besides promote them commercially. ODTP will cater to local demand, generate employment, and give a global identity to the state's strengths in enterprise.

Traditionally, the state of Uttarakhand is known for its ancient and culture, crafts, horticulture, floriculture and many more, besides new possibilities that the innovative ideas of the talented younger generation that are taking shape for enhancing advantage Uttarakhand! On the lines of the Hon'ble Prime Minister's spirit of inclusiveness highlighted as "Sab ka Saath, Sabka Ka Vishwas, Sab ka Vishwas", CM Dhami through his ODTP scheme is covering every district by going all out to support and bring to the fore Uttarakhand's platter of irresistible offerings for the world. This is over and above the many advantages of the young Himalayan state, including mesmerising natural beauty that is attracting tourists from every part of the world, boosting tourism, which is a major socio-economic driver of the state. The launch of ODTP scheme will open more avenues of tourism where tourists can spend their holidays in crafts and artist villages interacting with the artisans for an immersive experience.

The One District 2 Products Scheme is envisioned to also streamline the unorganised cottage enterprise

and MSME by creating an environment where the synergies of all the 13 districts encourages growth of self-employment, opportunities for the community and society at large accelerating the economic

targets of Uttarakhand. Under this scheme the state government will select two products from each district and support their development in accordance to the market demand. To give finesse to the products
