

Experience the Future of Education at GIBS: A New Age B School Built on Innovation, Research & Entrepreneurship (IRE)

■ Mr. Ritesh Goyal
Founder & Managing Director
GIBS Business School, Bengaluru

GIBS - A Beacon of Innovation and Entrepreneurship

In the ever-evolving landscape of education, GIBS Business School has emerged as a beacon of innovation and entrepreneurship. With a strong focus on nurturing future leaders and equipping them with the skills and mindset needed to thrive in a rapidly changing world, GIBS stands out as a transformative institution.

At GIBS, we believe that true education goes beyond traditional classroom learning. We are committed to fostering an environment that encourages innovation, fuels research, and empowers aspiring entrepreneurs. Our goal is to provide students with a holistic learning experience that prepares them for the challenges and opportunities of the 21st century.

Fueling Innovation, Igniting Research and Nurturing Entrepreneurs

At the heart of GIBS lies the core philosophy of fostering innovation, igniting research, and nurturing entrepreneurs. We understand that innovation is the driving force behind progress and growth in any field. Through a combination of experiential learning, industry partnerships, and cutting-edge research, we strive to inspire and nurture the spirit of innovation in our students.

GIBS provides a conducive ecosystem for students to explore their entrepreneurial aspirations. We encourage them to think critically, identify opportunities, and develop sustainable business ideas. By offering mentorship, networking opportunities, and access to industry experts, we

GIBS Business School (GIBS) is a leading educational institution that offers innovative and transformative programs in the field of business administration. GIBS offers a range of programs, including Post Graduate Diploma in Management (PGDM) and Bachelor of Business Administration (BBA). These programs are designed to provide students with a comprehensive understanding of business concepts and practices, while also instilling an entrepreneurial mindset and a passion for innovation. With a strong focus on the Innovation, Research & Entrepreneurship (IRE) framework, GIBS prepares students for the dynamic challenges of the 21st century.

empower our students to turn their entrepreneurial dreams into reality.

Empowering Education for the 21st Century: The IRE Advantage

At GIBS, we recognize the need for a dynamic and future-ready education system. That's why we have developed the Innovation, Research & Entrepreneurship (IRE) framework, which forms the foundation of our educational approach. The IRE advantage provides students with a unique learning experience that combines academic excellence with practical exposure.

Our curriculum is designed to foster creativity, critical thinking, and problem-solving skills. Through industry-oriented projects, internships, and collaborations, students gain hands-on experience and develop a deep understanding of real-world business challenges. By integrating research and entrepreneurship into the fabric of our education, we prepare our students to be adaptable, innovative, and resilient.

Inspiring Journeys: How IRE at GIBS Shaped Exceptional Achievers

The success stories of our students are a testament to the transformative power of the IRE framework at GIBS. From budding entrepreneurs to industry leaders, our alumni have made their mark in various

fields. They attribute their achievements to the multidimensional learning environment and the opportunities provided by GIBS.

Through the IRE framework, our students have developed groundbreaking business ideas, launched successful startups, and made significant contributions to their respective industries. The hands-on approach to learning, coupled with mentorship from experienced faculty and industry experts, has shaped them into exceptional achievers.

GIBS: Where Education Meets Innovation, Research & Entrepreneurship for a Brighter Future

At GIBS, we believe that education is the key to unlocking individual potential and driving societal progress. By combining innovation, research, and entrepreneurship, we have created a unique educational ecosystem that empowers students to become leaders, innovators, and changemakers.

As we continue to shape the future of education, GIBS remains committed to providing a transformative learning experience that prepares students for the challenges and opportunities of the 21st century. Through the IRE framework, we are building a generation of forward-thinking individuals who will contribute to the advancement of society and create a brighter future for all.
