Forth coming education: Creating cutting edge professionals

All academic programs at SGI have contemporary curriculum which is frequently updated in tune with the global and national priorities and developments so as to incorporate relevant knowledge and skills in respective domains by means of New age sector specialisations and unique learning opportunities through Case based learning, experiential learning, MOOCS, Hands on projects etc. using of a fine blend of online and offline education. Business schools are looking to learn and unlearn too. Management programmes offer a combination of domain specific knowledge and a lot of meta skills like feeling, seeing, dreaming, making and learning to help the students make successful careers.
