THE GREAT RECOVERY

FY23 was a bumper year for India Inc., which achieved record-breaking revenues and profits. Sectors such as banking, financial services and insurance (BFSI), power, auto and FMCG were the star performers, shows data. An analysis of NSE-listed firms by *Business Today* reveals that these companies have emerged stronger from the setback of Covid-19 and other curveballs such as geopolitical turmoil, rising interest rates and volatile commodity prices. Let's take a closer look at the numbers:
