

IEM & UEM: Trailblazers in Technical & Management Studies

Institute of Engineering & Management (IEM), Kolkata, is amongst the oldest and most respected institution in West Bengal, which has carved a niche for itself since its establishment in the year 1989. In a strategic move, IEM was built close to Salt Lake Electronic Complex, which is the IT hub of the state, anticipating demand of trained and skilled manpower in the IT industry.

Over a span of 34 years, IEM has risen to international prominence by aiming for nothing less but excellence. Its portfolio of full range of program offerings, and forte in state of the art education, high quality research, world-class faculty, have nurtured diverse and high calibre students, besides a variety of prestigious academic rankings. IEM has surpassed innumerable benchmarks of achievements and accreditations and also hit the headlines by achieving the 3rd rank among World Bank's TEQIP funded colleges.

The institution differentiates itself by setting sublime standards in addressing the technical and managerial resource shortage in the new era of dynamic globalization. Its strong industry linkages is evident during campus placements. Eight final-year students of the 2021 batch got selected by Amazon with 36 LPA packages. In 2022, Tuhin Mukherjee, IEM B. Tech student got the highest offer with direct foreign placement in Google London, UK for GBP 79,350 (Rs. 79 lacs per annum) plus company stocks. Today, IEM flaunts a strong and wide network of alumni spread throughout the corporate world as torchbearers of the institute's success and legacy.

Education devoid of values is as empty as a shell without a pearl, a wisdom that IEM understands and ensures to inculcate a value system that shapes students into socially and culturally responsible human beings with leadership potential.

IEM arranges Nobel laureate Lecture series to the

BTECH and MBA students on a regular basis where Nobel laureate from different parts of the world delivers lecture. IEM group offers courses on especially in BTECH. MTECH, MCA, BBA, MBA, PHD and offers training to Students for UPSC exams and other top competing exams in India

University of Engineering & Management, Kolkata (UEMK) was established in 2014 and is promoted by Institute of Engineering & Management Trust with the aim to offer higher education courses in Engineering, Management, Medicine and Science. Due to its illustrious track record, the recipient of National Employability Award 2022, was invited by the Government of Rajasthan to start a high quality Technical University of Engineering & Management (UEM) in Jaipur. This is a pioneering achievement where an East India based educational institution has established Universities starting from Eastern India to the most Western part of the country.

To leverage the institution on a global platform, UEMK has signed MOUs with various eminent foreign universities for 'Distinguished foreign professor lecture series' and 'Study abroad programme', publishing a large number of papers in accredited journals, filed 93 patents and enrolled 190 PhD scholars so far. UEMK organizes more than 20 International Conferences annually in prestigious venues such as New York, Vancouver, London etc. UEMK has also bagged significant international projects from European Union, Royal Society of Chemistry etc. The university is fostering Outcome Based Education and Research intensive teaching to grow as a Centre of Eminence. An excellent academic atmosphere coupled with a strong industry interaction makes UEMK the most sought after destination for students in the eastern part of the country. Over 3000 alumni members across the globe are scripting the success story of UEMK, to be proud of.
