

HOW INSURTECHS ARE BENEFITTING POLICYHOLDERS

CUSTOMERS ARE SPOILT FOR CHOICE, AND THEY ALSO GET GOOD SERVICE

1

Customised product offerings that suit policyholders' needs

2

Product innovation for niche segments like cycle insurance, fitness insurance

3

Timely resolution of claims, servicing and grievances

4

Issuance of policy digitally, without the requirement of physical touch-points

5

Embedded insurance solutions like the one offered at the time of buying a new mobile phone

6

Hassle-free and faster claim settlements
