TRANSFORMING THE JEWELLERY INDUSTRY THROUGH INNOVATIVE ERP EXCELLENCE

Synergics Solutions is at the forefront of bespoke software solutions for the Jewellery industry

Synergics Solutions Pvt. Ltd. is leading the way in the ever-changing world of jewellery, emphasizing the significance of accuracy, productivity, and flexibility. As a leading software product development company, Synergics specializes in providing a comprehensive browser-based supply chain management solution tailored for the Jewellery industry and beyond.

The organization aims to bring about a revolution in the jewellery industry with the help of its innovative ERP software. It aims to support Jewellery businesses in adapting to the ever-changing digital landscape by ensuring that all aspects of their operations are seamlessly integrated. By providing a reliable and efficient backbone for businesses to grow and thrive sustainably, Synergics is committed to revolutionizing the jewellery industry.

Synergics' unparalleled success is rooted in its innovative strategy, fusing state-of-the-art technology with extensive industry knowledge and experience. In addition to offering bespoke software solutions, the company shares extensive domain knowledge cultivated over 16+ years of experience, 250+ automation, and a global presence in seven countries.

Synergics goes beyond simply automating processes. It tackles both technical and adaptive hurdles, ultimately leading to a more streamlined and efficient workflow. Unlike many service providers, Synergics takes an

adaptable approach to automation. Recognizing that challenges are a combination of adaptive and technical issues, the company engages stakeholders in the diagnostic process.

Co-founded by visionaries Mr. Vivek Das and Mr. Sanjib Chatterjee, Synergics embodies a perfect blend of marketing insight and technical expertise. Founder Vivek Das, an MIT alumnus, brings over two decades of experience and a keen understanding of business models. On the other hand, founder Sanjib Chatterjee, a technocrat passionate about innovation, has driven the adoption of new technologies within Synergics. Together, they've steered the company to break geographical boundaries, offering ERP solutions domestically and internationally for more than a decade.

Synergics recognizes that successful implementation of an ERP system requires the full participation of all stakeholders, as it represents a significant cultural shift within the organization. By ensuring that users become integral parts of the solution, Synergics mitigates the challenges of change at a cultural level.

The company leverages state-of-the-art technologies to simplify processes, enhance efficiency, and provide clients with accurate data analysis for better decision-making. Synergics is dedicated to staying at the forefront of industry trends, providing exceptional customer support,

and contributing to the overall advancement of the jewellery industry.

Synergics' commitment to excellence is underscored by its recognitions and awards. The company has been recognized by AWS (Amazon Web Services) as the First Visual Search Engine for the Jewellery Industry. Co-founder Vivek Das has been a speaker at prestigious forums such as the mother of all technical summit i.e. AWS Summit, Mumbai, Retail Jeweller India Forum and Retail Jewellers Dubai Forum. The company has also received accolades like the ET Global Indian Leaders Awards 2022 for Excellence in Software Solutions & AI and the Best Value Software 2022 Badge.

Synergics has taken significant steps to guarantee the utmost data integrity and security. Their efforts have been recognized with prestigious certifications such as SOC 2 TYPE 2, VAPT (Vulnerability Assessment and Penetration Testing Report), and VPAT (Voluntary Product Acceptance Testing Report).

Synergics Solutions Pvt. Ltd. is a leading force in revolutionizing the jewellery industry with its cutting-edge innovations and unparalleled commitment to excellence. With visionary leadership, a commitment to adaptability, and a portfolio of advanced solutions, the organization is poised to continue shaping the future of Jewellery business management.
