luxury in India, Agarwal says Lamborghini is not just a luxury car; it's an aspiration, which is why luxury carmakers prefer exclusivity more than volume. "The brand is not driven by mass numbers, but by the pursuit of excellence. Our focus is not just on cutting-edge technology and design; it's on ensuring that each Lamborghini outperforms its predecessor, meeting the heightened expectations of our customers," he adds.

IT'S A LIFESTYLE

The change, Agarwal says, is because first-generation entrepreneurs, start-up founders, and women are stepping into the luxury world. "These dreamers are not just seeking a car; they're pursuing a lifestyle." Carmakers reckon that luxury is no longer about flaunting a brand; it's about products that resonate with individual lifestyles and personalities. "We understand that modern luxury is not just about the product; it's about the entire ownership experience," he adds.
