ROYAL SALUTE TIME CHAMBER BY CONRAD SHAWCROSS

**A LIMITED EDITION,
53-YEAR-OLD BLEND**

► **Now here's a** true collector's item. Released in a limited edition of only 21 bottles (if you can call them that!), the Royal Salute Time Chamber by Conrad Shawcross is the second iteration in Royal Salute's Art of Wonder collection. The series collaborates with some of the most visionary artists to create art inspired by whisky blends. British artist Conrad Shawcross has created a hand-spun glass disc—which showcases the link between the concept of time in fine art and luxury whisky—with a crystal decanter to hold the rare 53-year-old Royal Salute blend.
