

PROVIDING WORLD-CLASS PERSONAL PROTECTIVE EQUIPMENT TO THE INDIAN WORKFORCE

Euro Safety Solutions is India's most promising and dedicated supplier of world-class Personal Protective Equipment (PPE). It is part of the 20-year-old Euro Safety Group, one of Asia's largest integrated manufacturers and suppliers of world-class industrial, medical and hygienic safety products globally.

Euro Safety is an award-winning business house with a footprint on five continents. Euro Safety believes in personalising protection for its users and, therefore, goes to great extents regarding product innovation to offer Protection with Comfort. Euro Safety has multiple state-of-the-art manufacturing units in India with R&D centres in Asia and Europe. Every company and facility under the Euro Safety umbrella is committed to producing a product that echoes its beliefs of Reinventing Safety.

Mr. Varun Budhiraja founded and incorporated Euro Safety Solutions in India to strengthen the focus on India and provide state-of-the-art personal safety products to Indian businesses and consumers that are certified as per Indian & international standards, meet the design requirements of the Indian user and are affordable without compromising on the safety parameter of the product. Euro Safety Solutions houses multiple brands in India to cover a wide range of head-to-toe PPE from economical to premium price points - EUROCK, EURO SECURITY, CANVAS CLUB and WILDFOOT. These brands cater to users from multiple service and industrial backgrounds engaged in various hazardous operations and require ergonomic and comfortable Personal Protective Equipment.

Mr. Varun Budhiraja was recently recognised as a "40 under 40 achiever" by Times Group for his instrumental role in shaping, expanding and promoting his 44-year-old family business - ROGER GROUP OF INDUSTRIES, by gradually transforming and uplifting it to towering heights. With his adaptivity to diversify Euro Safety Group from the safety footwear manufacturing arm of Roger Industries Limited into other safety products, Mr. Varun Budhiraja aggressively expanded Euro Safety Group into a world-class safety products manufacturer. As a highly meticulous team leader, Mr. Varun Budhiraja appointed a very dedicated and efficient team relentlessly working to provide high-quality PPE kits for the warriors of our country's health department during the pandemic with the help from the Government of India to support "Make in India".

Euro Safety has been awarded many titles and accolades for its quality manufacturing. The Govt. of India has repeatedly recognised Euro Safety Group as the "Most Innovative MSME" and "Most Productive MSME". Mr. Varun Budhiraja is also an achiever of many prestigious awards, including "Visionary Leadership Award" by the World Quality Congress, "Leader Award" (2017-18) by Asia One Magazine, "Young Achiever Award", "Northern Regional Expert Award" (CLE) and has also been recognised as one of "The Most Admired Global Indians" (2020) in Passion Vista Magazine. Before turning Euro Safety into a vital pillar of the Indian PPE industry, the world of literature and design has always remained his first love. He authors a book, "VD Artistic Verses". He is also a certified footwear designer and developer for the luxury fashion footwear market.

VARUN BUDHIRAJA
CEO, Euro Safety Solutions, India

Dedicated to the cause of achieving "Zero Injuries at Workplace," Varun Budhiraja is working tirelessly to make Euro Safety's high-quality personal protective equipment more accessible to the Indian market. By leveraging his knowledge and resources, Varun is striving to put India on the world map of PPE industry and offer top-notch products to the Indian workforce across various industrial sectors. Euro Safety's cutting-edge manufacturing and constant innovation are instrumental in achieving this goal.
