

## RESPONSIBILITIES:

**1. Industrial Development Corporation:** MIDC makes the state more favorable for industrial and business development with great achievements of building 289 Industrial Areas with 66273.82 hectares of land. (approx.). It has developed specialized parks for different industrial sectors including IT, BT, Special Economic Zones (SEZ), Wine (grape processing) park, Silver zones and Gems etc.

**2. Investment Promotions Agency:** Maharashtra Industrial Development Corporation (MIDC) is the nodal Investment Promotion agency under the Government of Maharashtra. It provides businesses with infrastructures such as land, roads, water supply, drainage facilities and streetlights etc. It also provides services like Single Window Clearance system which is a facility provided to industries and entrepreneurs with a commitment to promoting Ease of Doing Business in Maharashtra by streamlining different processes and approvals required to establish and operate a business.

MIDC signed 123 MoU's with key investors between June 2020 to May 2022 with Investment worth Rs. 2,70,006 Cr with employment generation of 4,26,722. In addition to investment MoU's, Industries Department, GOM has also signed strategic investment cooperation agreements with key corridor partners such as USISPF (US-India Strategic Partnership Forum) for USA, KOTRA (Korea Trade-

Investment Promotion Agency) for South Korea, UKIBC (United Kingdom – India Business Council) for the UK, AIEF (Africa India Economic Foundation), IFFCI (Indo French Chamber of Commerce and Industry) for France and WAIPA (World Association of Investment Promotion Agencies) for Global investors.

**3. Special Planning Authority:** MIDC also acts as 'Special Planning Authority' for all the industrial development in the State under MID Act. MIDC also operates different types of Industrial parks. MIDC has created a Venture Capital fund to support start-ups in Aerospace and Defense sector in collaboration with IDBI bank.

## MIDC SPECIALIZED INITIATIVES FOR INDUSTRIAL PARKS:

- MIDC to setup Electronic Manufacturing Cluster (EMC) in Ranjangaon Phase-III MIDC area. This EMC project is conceptualized keeping in view the proximity to the existing Ranjangaon industrial ecosystem which shall assist in utilization of multiple support infrastructure facilities such as testing lab, logistics hub etc. The proposed EMC project shall be able to utilise the facilitation of the ecosystem of the Electronics sector in Pune.

- Multi Modal Logistics Parks in Maharashtra, an MoU was signed between MIDC, NHLML, and Railway Vikas Nigam Board (RVNB) for the same. Dighi Port Industrial Area has been added to the Phase-II of

the development of the project.

- Vidharbha Defence Industrial Hub, An integrated defence manufacturing cluster called Vidarbha Defence Hub and Industrial Cluster (VDHIC) is being created at Multi-modal International Hub Airport (MIHAN). This is a collaborative initiative of VDIHPL, Vidarbha Industries Association, Buttibori Manufacturers Associations, MIDC Industries Association, Electronics Manufacturers Association and Laghu Udyog Bharti, Solar Industries and host of other manufacturing and engineering industries in this region.

- Development of Integrated Industrial Areas and Integrated Logistics Parks, the State Govt. of Maharashtra published a policy for Integrated Industrial Area (IIA), Integrated Logistic Parks (ILP) wherein MIDC is declared as SPA for such proposals under private land ownership across the State of Maharashtra. To ease and accelerate the development approval proceedings MIDC has formed a Steering Committee under the chairmanship of CEO MIDC. In the said committee, Jt. CEO of the respective region of the State of Maharashtra are a member of the Steering Committee.

MIDC also focuses to preserve natural resources and conserve ecosystem and believe that it is imperative for the nation and the world to further develop sustainably.
