

AMAR POLYFILS: RIDING THE WAVE OF SUCCESS

With interests in Fishing, Health and Poultry, the Group is making a strong impact in the lives of people across the nation.

The Porbander based Amar Polyfils is ranked amongst India's leading manufacturers of fishing nets, ropes and twines. Established in 1994, their "Diamond Brand" is renowned and acclaimed by the industry.

After Udayraj Mishra, an industry veteran, took over the reins of the company in 1998 as director along with the visionary and dynamic company director, Ram Babulal Panjari, the company has grown in leaps and bounds. They have built a robust and dynamic product portfolio that encompasses the fishing, health and poultry industries. With a focus on excellent quality, customer centricity and entrepreneurial spirit, Amar Ventures enjoys a global clientele.

The standalone Amar Polyfils has over 21 organizations under its umbrella now. It is an ISO 9001-2008 certified

company and has BIS license. The annual combined production capacity for all plants is over 6,500 tons.

The duo relentlessly strive to improve product quality with modern, imported technology for manufacturing products of matchless quality. Finished goods pass through stringent quality testing to meet the strict requirements of customers.

Apart from a large variety of HDPE Net for fishing, agriculture, sports and safety net Amar is also one among the few manufacturers in India of HDPE Twine, an international quality soft net.

Amar Sterilised Fishmeal produces protein supplements used in poultry farming and aquaculture. Amar Aquatic is into marine collagen powder used in cosmetics and wellness products.

For their excellence across several criteria markers, Amar Polyfil have won awards at various prestigious forums. We see them conquering the oceans.

RAJHANS: THE KEY TO HAPPINESS

True to their motto of - Spreading Wings of Happiness, The Rajhans Group gets into businesses that add value to the happiness of their consumers.

Rajhans (Desai-Jain) Group is an Indian conglomerate headquartered in Surat, Gujarat having various regional offices across India. Group Chairman Jayesh Desai started his entrepreneur journey with a small edible oil factory in 1996, with a name of Rajhans Oil. In 1997, he ventured into the textile industry with Rajhans Silk Mills at Sachin in 1997.

The year 2000 saw the group get into entertainment as Jayesh set up the luxurious Rajhans Prime Cinema in Surat. Today Rajhans Cineworld owns more than 50 screens in majors cities and is poised to throw open a total of 100 screens in 2022.

The Group has since ventured into real estate. In short span of time, they have made a mark with projects ranging from residential, commercial, industrial, leisure and logistics. Today, Rajhans Real estate's empire is spread over millions of square feet showcasing the best of technology and modernity.

The group has emerged as one of the most trusted realty brands in the state, winning many awards from CREDAI and Brands Academy to name a few.

Encouraged by the philosophy of 'Atithi Devo Bhava', the Group established a high-end chain of Enjoy restaurant, an exclusive Sizzling Salsa eatery for sizzlers and Italian foods and not to mention banquet hall. The Group has also entered into Confectionery Industry by setting up an international-standard chocolate factory, 'Schmittens' within 2,00,000 sq ft of built-up area in 2013. In a bid to add value to capacity utilisation, the Group launched first-of-its-kind online platform Shareconomy in 2017, which connects industrial capacity owners with potential capacity seekers around the globe.

The Group believes that customer happiness is the main objective of their existence. The Rajhans Group continues to spread the 'wings of happiness' in the lives of customers.
